

The Mystery of the
JEWELLED MOTH

Directions: Coded messages take many forms.

Sometimes the secret may lie in looking at the first letter of each word, sometimes you might need to move letters around, you might need to turn figures into words, and sometimes words might be written backwards!

Crack the coded message below to discover the name of Sophie
and Lil's next adventure!

If you need more hints, read how Billy and Lil crack the code in Chapter Twelve of *THE MYSTERY OF THE CLOCKWORK SPARROW*.
